BUILT FOR THE ROAD. MADE TO TELL A STORY.

ABOUT TECHAXESS

Adventure motorcycle creator based in Switzerland, with a European riding perspective and a background in professional automotive mechanics. Combining product knowledge with cinematic filmmaking, TechAxess creates content that is visually engaging and genuinely useful to riders.

CONTENT FORMATS

01 CINEMATIC PRODUCT FEATURES

Story-led short-form reels and launch content.

02 HONEST GEAR REVIEWS

Real-world testing, usability and product insights.

03 MOTORCYCLE & TRAVEL CONTENT

Adventure rides, field demonstrations and photo stories.

PARTNERSHIP APPROACH

Open to product-for-content collaborations with brands I genuinely use and believe in, long-term ambassador partnerships, and paid campaigns for larger or more complex productions. Deliverables, timelines and usage rights are agreed individually to fit each project.

SELECTED BRAND RELATIONSHIPS

Peak Design / SBV Tools / HEX Innovate / Dope Mirrors
